**Subject:** Following Up on Potential Meeting for Hospital Services - Vermont Ave Street Improvement Project

Hello Jeff,

I am following up regarding the suggested meeting that the hospital services along Vermont Ave wanted to have with LADOT, which was mentioned at the last East Hollywood BID Board of Governors meeting. We are in the final stages of approving the work site traffic control plan. Looks like all of the intersection along Vermont Ave will be kept open for traffic circulation, which was a concern for the hospital especially at De Longpre Ave. Even if this is the case, we would still feel comfortable meeting with the hospital services just to make sure that all questions and concerns are addressed. Please let me know if there is a potential date and time being considered for this meeting. If you have any questions, please do not hesitate to call me.

Thank you and have a great weekend.
